#### WHAT IS SIN?

Probably the greatest sin of the age is to ruin the precious gifts given by the Creator. Formost among these is the eyesight. Yet more peo ple commit this one sin than almost any other. Through carelessness or advancing years their eyes lose their original strength; then they commit the unpardonable offense of neglecting them or being duped by persons incompetent to fit glasses. Peruna Medicine Co., Columbus, Ohio. Gentlemen---- Last summer I caught a cold which seemed to settle in my kidneys and affected them badly. I tried a couple of kidney remedies largely advertised, but they did not help me any.
